I didn't get the truck I wanted but they gave me a 5 year newer truck that has no rust and a near perfect body for the same price thaks east coast auto. I wanna do my car buying with these people love the prices from other places I have talked too very fair. This dealership is eager to sell vehicles! They will work with you. My salesman was Steve Rash. No funny stuff. Made reasonable offer and bought vehicle. Quick and painless. Very friendly and helpful. Found a great deal and went for it. They helped out to make that deal even better! These people will take care of you. I was told car was not there , and they had no photos yet and that he would get back to me the minute the car arrived or he had photos. But I never got the call back and I see the car is listed with photos so another car lot that does not keep there word or care about there customer. The company did contact me shortly after I made an offer. Even though they did not accept my offer they were very responsive and professional in their responses. Very quick response but did not let me know car sold soon after contact. I would do business with them again. Bruce allowed us to view a vehicle even though he was closed. We had a very transparent and friendly experience. Great price on a great vehicle everyone was very helpful and answered all of my questions. Awesome, I'm still talkin to these people, they seem to just walk outside, and trip over Aleros. Shaw was extremely busy but was able to manage to deal. I got a real good deal buying with cash. Nice car was told they would hold it for me but someone else bought the car over the phone and they went with that seller. Very poor service, left me hanging. I called them back and they told me it takes time to get people approved that they only try one lender at a time otherwise it hurts your credit! Although I did have a transaction with the dealership, they did respond promptly of my inquiry. I had a great experience. The car was exactly as described. Buying process was quick and painless. I plan on checking their inventory first for any future used car purchases. Dealer contacted me back the first time but not the second when I requested additional pictures. We went to go look at the truck and it had so much rust on it the bed probably would have fallen off. Disappointed we drove 30 miles to see it.
